The Sacred Science of Spiritual Transformation

Please join us for any or all of our Saturday Night Satsangs (spiritual teachings) featuring visiting sage, Swami Chandrasekharanand Saraswati of Rishikesh, India. Swamiji will be in Knoxville from now through June. Various topics and spiritual questions will be addressed. Our gatherings are held at 312 S. David Lane from 7:30pm to 9ish on these days:

March 16; April 13

May 4; May 18

June 8; June 22

312 S. David Lane is off Kingston Pike, two lights west of the Pellissippi Parkway overpass, just beyond Fort Sanders West. Turn south between the Conoco station and the Home Federal Bank. Our driveway is on the left at the second orange mailbox, just as the hill crests, before the road curves.

Offerings are requested but not required.
